TRANSMITTAL OF FORMAL DRAWINGS AFTER NOTICE OF ALLOWANCE

Sir:

Attached please find Figures 1-6D consisting of 12 sheets of the formal drawing for the subject application.

The Notice of Allowability mailed June 2, 2005, regarding the subject application does not require submission of formal drawing figures, however, Applicants have no indication that formal drawing figures were previously submitted to the USPTO. Thus, and out of an abundance of caution, Applicants submit herewith formal drawing figures for entry into the subject

application in the event that such a submission is required; although not indicated as being required in the Notice of Allowability.

In this regard, Applicants would note that the three month period of response set in the NOTICE OF ALLOWANCE AND ISSUE FEE DUE (PTOL-85) mailed June 2, 2005 regarding the subject application expires on September 2, 2005. As such, this submission is well before this expiration date.

If for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge or credit Deposit Account No. **04-1105**.

Respectfully submitted,
EDWARDS & ANGELL, LLP
